STATINTL

I. Accomplishments

Eleven groups of supervisors in the DDP offices (PM, FI, WH, SR, OTS) and an extra group from OO were given P.E.R. training this week, (approximately [REDACTED] people).

STATINTL

All clerical training programs are operating normally.

II. Developing Plans

The Clerical Training Branch had a serious set-back in the loss of [REDACTED] who was turned down by Medical and who resigned the day she reported for duty. Her personnel action had been in process since last May; the Clerical Training Branch had been counting heavily on [REDACTED] for assistance in the [REDACTED] Pool operations.

A clear statement of the function of the Management Training Division and programs proposed to date will be prepared for general use in the Agency.

Since it is anticipated that we shall have completed P.E.R. training by the end of October, - we shall then be in the clear to provide the basic CIA Human Resources Course or other management training wherever requests may develop.
